This boutique retreat is designed as an art-focused, authentic Italian experience.

Your home and studio will be in a small village in the Tuscan mountains, well off the beaten track - a real hidden gem! It's a perfect place to retreat to and focus on your art while the day to day chores are taken care of for you.

This is a fantastic opportunity to participate in a series of oil painting workshops led by a highly experienced and accomplished artist.

Paul McDonald Smith OAM is a long time member and past president of the prestigious Twenty Melbourne Painters Society. For eleven years Paul served as Chairman of the Bale Scholarship. He is a Fellow, past president and Honorary Life Member of the Victorian Artists Society and a Fellow of the Royal Society of Arts London. Paul has judged innumerable art prizes around Australia, frequently lectures and provides demonstrations, is an author and curator and an awarded artist himself. Influenced by the work of Dargie, Paul began painting in his early teens.
