AWARDS

Four times Winner "Artist Of The Year" award at Victorian Artists Society. Camberwell Art Show award, Altona Rotary Art Show and many other minor awards.

ARTIST'S STATEMENT

My paintings are based on the Tonal Impressionism with a bit of my own personality. Most of my paintings are done in front of the subject, it's hard to get any better enjoyment than painting out on location where the colour reads true. I have done various overseas painting trips and I am constantly out painting in my own location. Living close to the water and location of various industries the subject matter is endless.
